- Right Hand --

Uhlmann 2-Prong Bodycord

X2 @ \$32.00 ea. = \$64.00

- Color Transparent/ Silver

Uhlmann E. Mask Cord

X2 @ \$9.00 ea. = \$18.00

Approx. Total = \$355.00

For Tournament fencers: Get 2-3 more weapons and one extra body cord and mask cord.

Specialty Repair and maintenance tools list: Approx. \$45.00

German Foil Point Tape

Absolute Inside Allen Key w/Handle

Absolute Testing Box

German Screw Driver

You will need several other regular mechanical tools like: an adjustable crescent wrench, a retractable razor knife, a few basic screwdrivers, a small “shaving kit bag to keep it all in, You will definately want to take a course from myself on basic maintenance.

Here is a good link to help you through basic maintenance: [armoring basic videos](#)

Notes:

I have seen many “guides” that tell you that you can get by with less gear. They are wrong. If you are reading this, it is highly likely you do not yet possess any “armoring” (repair) abilities yet. Gear breaks down and a tournament is not a good place to worry about that.
